## ***HOW WOULD YOU USE...***

***...a budget of £2518.63p (so far),  
the combined resources of,  
an entertainment and a building company  
and  
a filmed documentary to broadcast your work?***

***HI***

My name is Pete Donno. Please allow me to introduce;

The Creative Building Company  
and  
Multiversal Events

I work as their project manager, one 'builds houses' and the other 'produces theatre events'. Both are working towards making the world a better place by donating 10% of their profit to charity or worthy causes.

The Creative Building Company has been busy lately and donated £2518.63p.... (so far)!

But to what charity or group?

## ***HOW WOULD YOU USE THE DONATION?***

**How would you spend £2518.63 (so far) using the services of an entertainment and a building company?**

Maybe entertain the kids by putting on a panto or a variety kids show or any other form of entertainment?

Or.... Maybe you'd benefit from some building work; repairing a roof, decorate a room or maybe you want a celebrity to help build an play area?

Or... the cash to buy teddy bears?

Please send your ideas/wishes, by midday 28 August 15, to:

# ***WE CHOOSE AN ORGANISATION WHO'S NEEDS CAN BE MET***

By the 5 Sept 15 we should have made a decision about who we can assist, at this time. In making that decision we take into consideration two things...

1. What do you need to make your wish come true?
2. Can the donation and our resources make it happen?

Taking into consideration all available; cash, time, energy and resources, we then choose a charitable event we feel, we can realistically deliver.

Its a simple equation; have we got - what you need?

# ***WE PROJECT MANAGE EVERYTHING.***

We work with your team, creating a crystal clear strategic plan, to make your wish come true.

We love the excitement of not knowing,  
exactly what will happen next!

Multiversal Events, use a vast library of experience in media and international production event management to ensure these events succeed.

## ***PRODUCE A FILM DOCUMENTARY***

Our clients trust us to donate 10% of the profit we make, from them, to charity.

A documentary film about your work and your journey from a donation to a wish, is broadcast on the internet.

This allows our clients the opportunity to see exactly how 'their money in trust' was spent.

It also creates a film you can use to bring the work of your organisation/charity to a wider audience.

***SO COME ON!!!***

Send your wish list, no later than 28 Aug 15 to:
